REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Claims 1-6, 15, 21 and 26-29 are allowed over the prior art of record because all the cited references, considered as closest prior art and viewed in combination or individually, fails to suggest or fairly teach an optical recording method of and apparatus for recording information on an optical recording medium including a combination of all limitations as recited in each of claims 1 and 2. Claim 4-6, 21, 26-29 are allowed with their respective parent claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Cited References

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. The cited references relate to a optical recording method and a device for recording information on an optical medium having controlling the width of recording marks.
